Many outings have gym and camp type activities. Some outings are chaperoned "overnighters". All outings include some kind of a Bible message (usually given by a Youth Leader).**

I hereby acknowledge and accept the risks of physical injury that may be associated with participation in the Youth Ministry. Except for gross negligence on the part of the Bible Baptist Church or its representatives – I accept personal financial responsibility for any personal injury sustained during these activities and I promise to hold Bible Baptist Church and its representatives harmless for any injury related to the activities. I further give permission for my teenager's picture to be used in social media outlets such as the church website, Twitter and/or Facebook.**
